EU Type Examination Certificate

Date: 2020/10/05

n. 584204101/OE

Validity: 2025/10/04

ALAUD

The hereunder described items of Personal Protective Equipment have overcome positively the "EU type examination" (Module B), proving their conformity to the safety and health requirements of the Regulation (EU) 2016/425 (Annex II)

Manufacturer: (Responsible of the PPE)	KTM AG Stallhofnerstraße 3, 5230 Mattighofen - AUSTRIA
Type of PPE:	Protective gloves for motorcycle riders
Category of PPE:	II : "medium" risks. This certificate is based on reference standards listed below: its validity is no longer ensured should new version of the standards come into force.

	ensured should new version of the standards come into force.
Model	"TOURRAIN WP GLOVES"
Description:	<u>model</u> : five fingers; <u>palm side</u> : black grain leather "Goatskin leather" (declared thickness ~0.8mm); black grain leather "Conductive Goatskin leather" (declared thickness ~0.8mm) on the top of the thumb;
	lining of whole glove: black knitting "Polyester fabric Bemberg" matched with white membrane; back side:
	 black grain leather "Goatskin leather" (declared thickness ~0.8mm); black fabric internally matched with white polymeric material "Coated fabric Polyester-Elastane";
	 black fabric internally matched with white polymeric material "Coated fabric Polyester-Elastane" stitched with white foam material and white knitting on index, medium and ring fingers;
	 black knitting "Spandex fabric Polyester" matched with transparent polymeric material;
	 black polymeric material marked "Ready to Race" (declared TPR 3-D injected PU material) stitched with black grain leather "Goatskin leather" (declared thickness ~0.8mm);
	side wall of index: black knitting "Spandex fabric Polyester" matched with transparent polymeric material; black grain leather "Conductive Goatskin leather" (declared thickness ~0.8mm);
	<u>side wall of little finger</u> : orange knitting "Spandex fabric Polyester" matched with transparent polymeric material; partial reinforcements:
	 black grain leather "Goatskin leather" (declared thickness ~0.8mm); black grain leather "Goatskin leather" (declared thickness ~0.8mm) padded with white foam material; reversed black grain leather "Goatskin leather" (declared thickness ~0.8mm);
	fourchettes:
	 orange knitting "Spandex fabric Polyester" matched with transparent polymeric material;
	 black grain leather "Conductive Goatskin leather" (declared thickness ~0.8mm) on the top of the thumb;
	<u>elastic wrist-band</u> : black elastic band, applied internally on the palm side; <u>cuff</u> : black fabric internally matched with white polymeric material "Coated fabric Polyester-Elastane"; black grain leather "Goatskin leather" (declared thickness ~0.8mm); <u>fastening system</u> : flap made of black polymeric material "Strap Polyester fabric, TPR

Closure" closed with black hook and loop fastener "Velcro closure nylon" on the back
